

To our Valued Customers:

We hope that this message finds you, your family and staff safe and healthy. During this difficult time that we collectively deal with the impact of the COVID-19 pandemic, infection control protocols are of the utmost importance to protect you, your employees and patients. Topcon Medical Laser Systems, Inc. wants to remind you to follow all cleaning disinfecting procedures in accordance with the manufacturer's instructions in your Operator's Manual. Customers should ensure that the disinfectant used is rated for killing Coronavirus. The EPA (Environmental Protection Agency – www.epa.gov) has a [list of disinfectants](#) for use against Coronavirus, and the CDC (Center for Disease Control – www.cdc.gov) continues to update guidelines regarding protection against Coronavirus.

We at Topcon Medical Laser Systems, Inc. wish for your continued health and safety. For additional information or concerns, please contact us at 888-850-1223 or TMLSService@topcon.com.

Sincerely,

Topcon Medical Laser Systems, Inc. Team
